Willie the Boatman

Willie the Boatman is a laid-back pub and craft brewery, nestled in Australia's Craft Beer capital; the Inner West. One of the first craft breweries to open in Sydney, Willie the Boatman has built an award-winning reputation for delivering high quality, flavourful and unique brews which are available on tap or in cans.

A strong commitment to the community is ingrained through all of their actions, like naming their beers after friends, like 'The Albo' Pale Ale, dedicated to their local federal member of parliament (and more recently, Australia's PM), Anthony Albanese. Regularly hosting events and festivals to bring people together and support local nonprofits and businesses. Even the brewery's name is a playful celebration of the Inner West's rich historical heritage. A nod to the original 'Willie' aka William Kerr, a Scottish convict assigned to row people, supplies, and beer across the nearby Cooks River in the early 1800s.

Moon Dog World in Preston boasts an impressive 72 beer taps, a waterfall, lagoon, beer garden, playground, elevated sun decks and a hidden pinball and games room.

Moon Dog began as a small brewery in the back streets of Abbotsford, with three brothers brewing beer in a brew house welded together from ex-dairy equipment and selling mind blowing craft beer from the back of a '97 Volvo V40 station wagon.

More than a decade later, they have made extensive equipment upgrades, expanded the brewery into Preston, opened two brew pubs and the Moon Dog family has continued to grow.

But their mission statement never changed - brewing outrageously delicious beers and seltzers that blow minds is what it's all about!

We're a small, local Brisbane brewery making a mark on the craft beer world in a big way. Our home at Salisbury has been where we first brewed beers and accomplished much of what you see when you walk through the large entranceway.

What was an almost empty shell when we took it over, we've since added:

- Our Brewery
- A Bar featuring 12 of our taps
- Amenities
- Large Cooling Fan
- Kids Play area
- Cold room
- Pool & table tennis tables

We aim to produce world class beers each and every time and that is the standard we strive towards.

We use only the freshest and highest quality ingredients with a focus on using local first where possible.

Our aim is to push the boundaries of our industry while offering sustainable products along the way.

This vision, coupled with the platform to be able to share our beers with others, and see many happy faces enjoying our wares was the primary driver back then, and still is today.

Our guiding principle at Blasta has a real meaningful purpose.

We shall only brew Blasta beers.
