MLAA Conference & Trade Expo 2022
Dates - 20 October, 2022 - 22 October, 2022
All Day

Location
JW Marriott Gold Coast Resort & Spa

Dear locksmiths and security industry professionals,

We are delighted to announce that our National Conference & Trade Expo is back for 2022, and we invite you to join us on the Gold Coast at the recently refurbished JW Marriott Gold Coast Resort & Spa.

It has been nearly 3 years since our last major industry event in Auckland, and our Trade Partners are very keen to show you their very latest offerings.

The program includes a full trade expo, a terrific keynote from Nelson Mandela's former bodyguard Rob Redenbach, several interactive Q&A style industry forums, and a mix of skills training and product information sessions.

Dave O'Neil will be entertaining the guests at the Gala Dinner & Awards night, and there will be a number of awards presented, including the John Andrew Apprentice of the Year award - sponsored by LSC, Silca & ABUS - the MLAA Best Shop and Best Van awards - sponsored by SGLOCKS - and the Future of Locksmithing initiative, supported by Lock n Key, Carbine, EVVA, LA GARD, and Keyline.

Conferences are not just about seeing the very latest products; they are also important networking events that allow like-minded professionals to catch up with old friends, as well as meet new ones.

We look forward to seeing you in October.

Jim Fisher
National President
Master Locksmiths Association
of Australasia

Peter Johnson
CEO
Master Locksmiths Association
of Australasia

Rob Redenbach - Keynote Speaker

Rob Redenbach has enjoyed a formidable career that has seen him grow from a security expert into a leadership coach. Along the way, he has taught unarmed combat to Nelson Mandela’s bodyguard team in South Africa and provided security to aid-workers in the Middle East.

Now also a popular MC, facilitator and keynote speaker, Rob mixes humour with hard facts as he tells the story of his life. In doing so, he entertains, educates and inspires his audiences across Australia.

Hayley Lewis - Keynote Speaker (AGM)

Hayley Lewis burst onto the scene as a 15yr old schoolgirl and captured the hearts of Australians by winning 5 Gold Medals at the 1990 Auckland Commonwealth Games. Backing up a year later, she went on to become one of Australia’s youngest ever World Champions by winning the 200m freestyle at the Perth World Championships. In 1992 at her first Olympics, Hayley brought home a silver and a bronze followed by more medals at the 93 Pan Pacs, the 94 Commonwealth Games, the 95 World Championships and the 96 Atlanta Olympics. Hayley became the first athlete ever to compete for her country in both pool and open water swimming at the same meet. She went on to win a bronze medal and officially retire at the age of 27.

Changing pace, she went on to host 5 seasons of the reality show – The Biggest Loser, write a small business book – Dream, Believe, Create and also open a retail store in Balmoral called Coming Up Roses which is now in its 9th year of trade.

Hayley is into her third year of a Bachelor of Psychological Science and is a very proud mum to 2 boys, Jacob 21 and Kai 16.

Anthony Lamond - Conference MC

Anthony Lamond is one of Australia’s hardest working and much admired Stand-Up comedians having hosted and produced over 750 Shows all around Australia. He has produced shows and shared the stage with high profile comedians such as Dave Hughes, Jimeoin, Arj Barker, Fiona O’Loughlin, Peter Rowsthorn, Cal Wilson, Merrick Watts, Lawrence Mooney, The Old Fella, Chris Franklin, Heath Franklin and Bob Franklin just to name a few.

Dave O’Neil - Gala Dinner Entertainment

Dave O’Neil has been in the business of comedy for over 30 years and is one of Australia’s most recognisable stand-up comics, having performed at 20 Melbourne International Comedy Festivals.

Dave has appeared on numerous Australian television shows including Hughesy, We Have A Problem, Have You Been Paying Attention?, The Project, The Yearly, Agony, Utopia, Talkin’ ‘Bout Your Generation, The Panel and The Fat. He is probably most well-known for the honour of being the guest with the most appearances (over 60!) on ABC TV’s ever-popular Spicks & Specks. Most recently, Dave appeared on Kitty Flanagan’s ABC sitcom Fisk playing Bob Stanley, the inept lawyer, and performed at the Melbourne International Comedy Festival Allstars Gala which was broadcast on ABC TV.

AGENDA OVERVIEW

| | | | | |

NEW

WORKSITE LAMP (18v Skin) - 2000 Lumens

PRODUCT SPECIFICATION:

- Integrated magnets for fast fixing on metal surfaces
- Lamp head can be turned through 360° providing almost infinite positions for the lamp
- Stepless dimmer function for optimal light with maximum battery run time of 3-5 hours
- Clearly visible display of the remaining battery runtime, a flashing light warns before the end of runtime to avoid dangerous situations in the dark

Art. **WL2000-18**

NEW

LED TORCH (18v Skin) - 280 Lumen

PRODUCT SPECIFICATION:

- Powerful Metabo LED portable lamp for uniform, bright illumination of the working area
- Compact and handy for versatile use
- Lamp head can be tilted and locked in 12 positions
- Robust aluminium die-cast housing for use on construction sites
- Swivelling hook for suspending the lamp
- Operation with all Li-Power and LiHD slide-on 14.4 and 18 Volt battery packs

Art. **LT-18**

NEW

WORKSITE RADIO (18v Skin)

PRODUCT SPECIFICATION:

- Robust worksite radio with digital DAB+ reception, top sound quality and many additional functions
- With Bluetooth for wireless music enjoyment from your smart phone or tablet
- Operation with all Metabo slide-on battery packs from 12 to 18 volts or mains-powered
- Station presets for AM/FM
- Mains cable can be plugged in
- Digital DSP tuner with illuminated LCD display and automatic station search

Art. **WR-18**

NEW

COMPACT ANGLE GRINDER (18v Skin) - Brushless

PRODUCT SPECIFICATION:

- Very handy tool with maximum working comfort for many applications
- Always the right accessories: large selection of discs to process metal, wood, stone, tiles and plastic.
- Powerful brushless motor for quick work progress and highest efficiency
- Overload protection: protects the motor from overheating
- Restart protection: prevents unintentional start-up after battery pack change

Art. **CAG-18**

NEW

WOOD PLANER (18v Skin)

PRODUCT SPECIFICATION:

- Light, compact Metabo cordless planer for planing, rebating and chamfering
- Adjustable planer depth and notch depth
- Aluminium die cast and milled cut planer base with V-groove for easy chamfering
- Parallel guide for precise guiding of the planer
- Grip area with non-slip soft-grip surface
- Angled chip ejection adapter for controlled ejection of the wood shavings

Art. **WP-18**

NEW

COMPACT VACUUM CLEANER (18v Skin)

PRODUCT SPECIFICATION:

- Portable, compact cordless Metabo vacuum cleaner for wet and dry vacuum cleaning (IPX4), ideal for smaller cleaning and extraction jobs
- Commercially approved cordless vacuum cleaner, certified for dusts of dust class L
- PressClean: manual filter cleaning using strong air flow by activating the switch on the extraction unit during breaks
- Eco mode for longer runtime per battery pack charge, boost mode for maximum power
- Easy transport with ergonomically-designed handle or carry strap
