Electric Strike FIXING TAB KIT - Adjustable Offset

PRODUCT DESCRIPTION

Adjustable Offset Fixing Tab Kit for Electric Strikes. This kit is designed to allow the fixing screw to be offset in the frame.

The versatility of this kit means no modifications (cutting and tapping holes) are needed for fixing tabs to fit into most types of aluminium frames. There is also no requirement to remove any internal door frame strengthening as the fixing tabs fit between strengthening profiles.

Supplied as off-set fix for a wider range of fitting options.

Supplied with 1.5mm thick spacer to provide flush installation into 1.5mm thick door frames.

Use without spacer for installation into 3mm door frames, gate posts and inactive door leaf's.

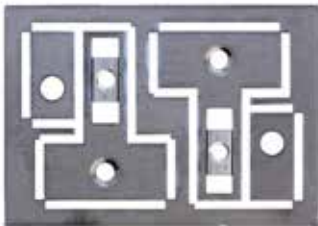

Adjust vertically by sliding 'T' nut for best possible installation results (adjustable type).

PRODUCT SPECIFICATION

Material: Zinc coated Mild Steel
Supplied with:

- 4 x 3/16 counter sunk stainless steel screws
- 2 x 3/16 aluminium 'T' Nuts (T Nuts supplied with adjustable type)
- 1 x 1.5mm Spacer

Art. ID: **ES-FTK-AO**

Electric Strike FIXING TAB KIT - Adjustable Centre

PRODUCT DESCRIPTION

LOCKTON Camo Shirt & Hat

The Griffin is a mythological creature that is half lion & half eagle. Eagles are generally considered the king of birds, and Lions the king of beasts.

The Griffin is symbolic of both power and bravery and is often portrayed as guarding treasure or wealth.

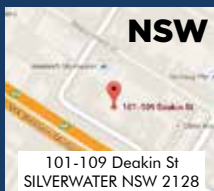

LOCKTON and its Griffin
“Your Protector & Guardian”
