MORTICE LOCKS & FURNITURE

Wide (60mm)

NEW

'60mm' Backset MORTICE LOCK *Matte Black*

PRODUCT DESCRIPTION

The LOCKTON 60mm mortice lock body and latch are made from 304 Stainless Steel, making them not only extremely tough and durable, but also extremely weather resistant to the harsh Australian environment.

The LOCKTON Art. SG-ML60-BLK retrofits Australian standard 60mm mortice locks and comes with the required fixing screws, strikes, cylinder retaining pins, turn snib adapter, templates and instructions.

PRODUCT SPECIFICATION

- 'Easy Change' Lock Functions - turn the dial on the side of the lock body (Consistent with the LOCKTON 23mm Backset & 30mm Backset Mortice Locks)
- Kick off function
- Accepts Australian oval cylinder
- Easy close action for electric strikes
- Uses industry standard cams
- 4-hour fire rating
- 5-year warranty
- Cycle tested
- Fits doors between 32-50 mm
- Suits left & right opening doors
- Electric strike compatible.

4- Hour Fire Rating

5 Year Warranty

WA News South Metropolitan TAFE Official Opening

On Friday evening the 21st of April in Rockingham, Western Australia, we celebrated the official opening of a new, permanent training facility for apprentices.

This new facility has been specifically designed and fitted out for locksmiths.

It represents many years of hard work from numerous people, and also a significant investment by both South Metropolitan TAFE and the Department of Workforce and Development.

The evening was attended by representatives from both the TAFE and industry, and it was co-sponsored by South Metropolitan TAFE, the Master Locksmiths Association of Australasia and the Locksmiths Guild of Australia.

Our industry suppliers also deserve a special mention. A number of them installed some terrific signage in the main training area:

- ASSA ABLOY
- SG LOCK & SECURITY
- LSC
- LOCK & KEY
- SAFE CENTRAL

Our suppliers donate many thousands of dollars worth of products every year, and without their support, the next generation of locksmiths would not have access to the very latest products and equipment.

A big thank you to former Regional Director for Western Australia, Steve Arias. Steve has worked tirelessly for over ten years, often behind the scenes, to get this facility up and running, and I am sure his efforts will be appreciated for many years by future generations of locksmiths.

-Matt Graham
Regional Director for Western Australia

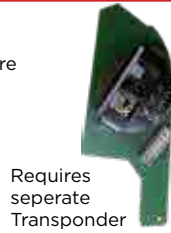

Ian York, SG Lock & Security WA Sales Manager was on site to take part in this WA Industry Event
