## **MLAA Conference & Trade Expo 2023** **Dates - 27 October, 2023 - 28 October, 2023**

Location- Pullman International in Cairns

Dear locksmiths & security professionals,

After a very successful Conference on the Gold Coast last year, we are delighted to be bringing the Association's 2023 National Conference & Trade Expo to the Pullman International in Cairns. This will be our 40th Conference, and our first in Cairns.

Our Trade Partners will be on hand to show their very latest products and services, and we will offering a number of breakout sessions covering business essentials, skills training, mental health, marketing, and more.

The Gala Dinner & Awards night will be held at the Cairns Convention Centre, located within walking distance of the Pullman. Master of Ceremonies, Anthony Lamond, is back to ensure the event runs smoothly, and he has promised to leave the jokes to our entertainer, Kat Davidson.

There are several awards to be presented on the night, including the Best Shop and Best Van awards sponsored by SG Locks. We will also be announcing the winner of the prestigious 2023 John Andrew Apprentice of the Year competition, sponsored by LSC Complete Security Solutions, Silca and ABUS. Lock & Key will reveal the details of their very generous donation of locksmithing tools & equipment to the TAFEs as part of their Future of Locksmithing initiative.

Our theme for this year's event is Secure Your Foundation - Invest Now to Build a Stronger Future. We encourage everyone to invest not only in their own businesses, but also the future of this very industry, and attend this important networking event.

We look forward to welcoming you in Cairns.

## Entertainment

### Kat Davidson

Who has 24 years comedy experience, brilliant stories and keeps the laughs coming, no matter who is in the audience? This lady...

Seeing Kat on stage is like visiting an old friend you haven't met yet. She's shared the stage with the world's best comics (Stephen K Amos, Steven Wright, Dave Hughes to shamelessly name drop a few)

Kat brings a fresh and intelligent view to her comedy. She tackles relationships, observations and random events with equal passion and her unique storytelling ability takes her audience along with her for the ride.

Kat has been a professional improviser since 1993, hosted Gala Events, coached blue chip companies in communication and worked a crowd from the back of a cattle truck.

She can be heard regularly across Queensland ABC radio, broadcasting through the Covid 19 pandemic and bringing the news and some much-needed laughter during lockdown and beyond.

Kat has headlined the best comedy clubs in Australia and Canada and can also be regularly found at sea performing for huge crowds on P&O Cruise ships.

### Anthony Lamond - Conference MC

Anthony Lamond is one of Australia's hardest working and much admired Stand-Up comedians having hosted and produced over 750 Shows all around Australia.

He has produced shows and shared the stage with high profile comedians such as Dave Hughes, Jimeoin, Arj Barker, Fiona O'Loughlin, Peter Rowsthorn, Cal Wilson, Merrick Watts, Lawrence Mooney, The Old Fella, Chris Franklin, Heath Franklin and Bob Franklin just to name a few.
